Memberships...

Our membership year is from Jan. 1 to Dec. 31. The annual membership fee is \$10 per family or individual. Members receive a decal, and quarterly issues of the Legend. Members are eligible to fish in club tournaments and invited to club events.

Most important, whether or not supporting members are fishermen, water sports enthusiasts, visitors to the area or local residents, they are part of an alert and active environmental organization dedicated to the preservation and protection of a glistening natural jewel: Long Lake, Dundee, Wisconsin

Long Lake is a medium-sized drainage lake of medium depth in the Town of Osceola, Fond du Lac County, Wisconsin. It has a surface area of 427.3 acres. The Kettle Moraine State Forest borders the east shore of the lake and the Village of Dundee is located near the lake outlet.

Eleven percent of the area of Long Lake is less than three feet deep. Forty-one percent of Long Lake is more than 20 feet deep. The maximum depth of the lake is 47 feet. The length (maximum) is 2.65 miles; the width (maximum) is .44 miles.

Total shore length is 26,400 feet (5.0 miles). Public frontage totals 28 percent of the total; private frontage totals 72 percent.

Watercress Creek enters Little Lake on the north end; Willow Creek enters into Long Lake in the northwest channel which connects the two lakes; and a creek enters into Long Lake by the channel in Chinatown on the northeast end.

The waters remain clear throughout the year, despite the lake's fertility and heavy use. The water quality for swimming is generally good. The state forest recreation area includes two public beaches totaling 1,000 feet of frontage. Camping is available at the recreation area and at private facilities. Fishing pressure is average for lakes in the region.

Nature needed a helping hand so...

The Long Lake Fishing Club, Inc. was created to protect, maintain and improve all the environments necessary to insure, for the present and future generations, the enjoyment of successful fishing on Long Lake, a multi-use lake in the Northern Unit of the Kettle Moraine State Forest, Fond du Lac County, Wisconsin.
